When to go to urgent care vs. the emergency room

Illnesses and accidents can happen at any time. But there is no need to rush to the emergency room when your issue can be diagnosed and treated at CityMD. From unexpected injuries to pesky infections, our physicians are ready to provide you with fast and reliable care when you need it most.

Care at your fingertips

Can't get to the doctor's office? Try a CityMD virtual visit. You can meet one-on-one with a provider through video, a phone call, or text messaging all from the comfort of your home or office.
